# Gifts of Stock

Donating stocks or mutual funds to the Mohawk Hudson Land Conservancy is a smart and simple way to help protect the natural world.

## How it Works

You can make a gift of appreciated securities—publicly traded stocks, bonds and mutual fund shares—to MHLC while avoiding capital gains tax, diversifying your portfolio and/or securing a stream of income.

It's a simple and efficient way to give.

Step #1: You transfer appreciated securities to MHLC.

Step #2: The Conservancy sells the securities and uses the proceeds to fund critical conservation work.
